Three major costume jewelry factories in Jablonec are to be amalgamated into one plant which will be called Motorlet.<sup>1</sup> The jewelry factories are the Felix, Brdicka, and Gewiss concerns. The Motorlet plant will produce spare parts for aircraft. Details on production are lacking. The office personnel and the key workers of the new factory have already been selected. Unskilled labor is to be transferred from the smaller costume jewelry firms.

1.  Comment: The major plant of the Motorlet National Corporation previously reported is the Jan Sverma Plant in Prague-Jinonice, last reported as producing MIG-15 jet engines in
